Thereseann Huprikar, DO, joins MSU Physical Medicine & Rehabilitation Clinic

MSU HealthTeam would like to extend a warm welcome to one of our newest providers, Thereseann Huprikar, DO. Huprikar joins our Physical Medicine and Rehabilitation Clinic with a focus in Interventional Spine/Pain, EMG, and Sports. After earning her medical degree at Michigan State University’s College of Osteopathic Medicine, Huprikar completed her residency with MSU Physical Medicine and Rehabilitation. She also earned her Bachelor of Science in both Human Biology and Physiology from Michigan State University while a member of the Cross Country and Track and Field team.

Huprikar is currently doing research at MSU on establishing normal values for the mixed median and ulnar nerve conduction in the extended elbow.

Huprikar joins our multispecialty group as a physiatrist. She is adding to our complement of 225 providers performing cutting-edge research, teaching medical and nursing students, and providing exceptional care to the Greater Lansing community.
